

At our club meeting last week we had a member, Michelle Petersen, give us a slide show on her years of photography. Some stunning photos, she has real talent. Thanks Michelle.

FYI: The restaurant's large TV works great for any future presenters. Just plug in a laptop via HDMI cable

We had about 18 attend our "Tune" day at Peter & Pat's home. It was great weather and we looked at problems on a few autos. It turned out to also be an auto show for the neighborhood ☺

Thanks to Peter & Pat for hosting with food and drinks also.

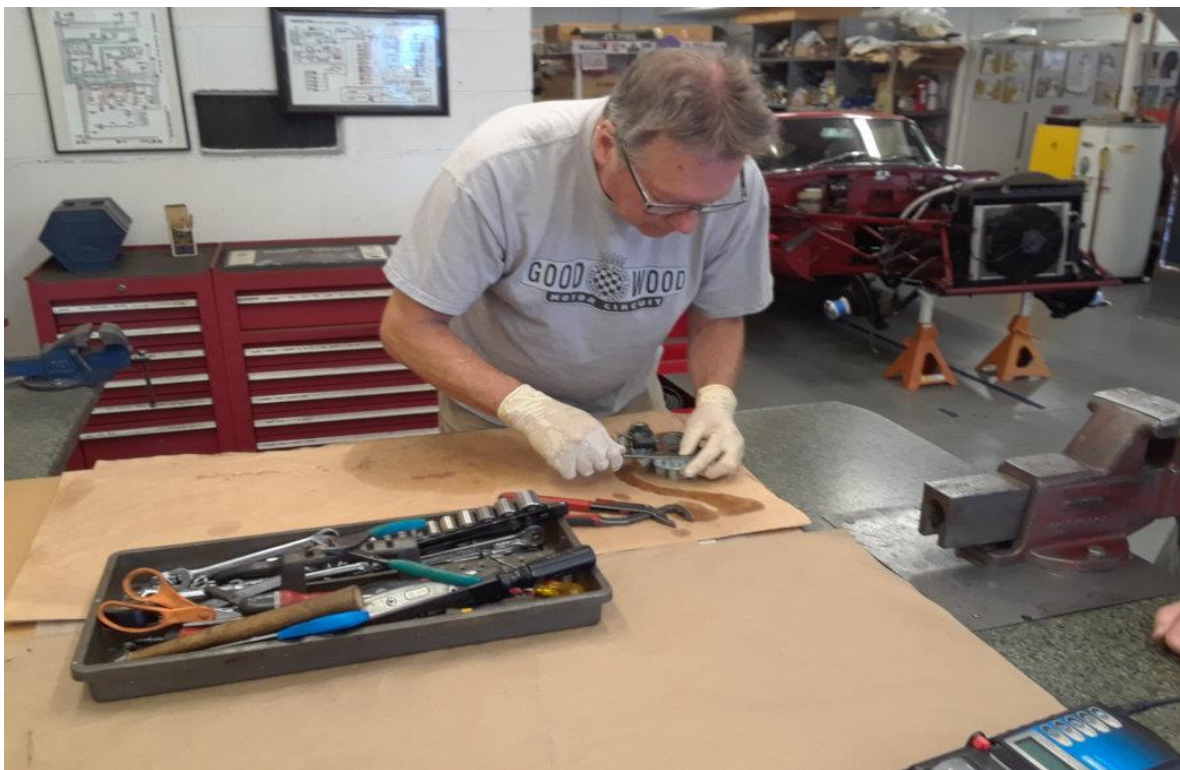

Here are a few pictures taken by several attendees.

A few upcoming auto events/shows/etc.
